CRAFTED WITH KOREAN TECHNOLOGY -
FROM SEOUL TO SOUL

Elevate your daily ritual with K Beauty Glow through the ECDS Skincare range, crafted in collaboration with Todayaday - nature-based SPA Sensory Products like Hand & Foot Spa, Collagen Masks, and Brightening Masks. Infused with cutting-edge Korean technology perfectly attuned to Indian skin for that signature K-beauty radiance.

**Be your change—Today is the Day!
Stop being everyone else; start being YOU.
Smile today, dream today—until you fully own yourself.**

FORMULATION HIGHLIGHTS

NIACINAMIDE

Vanish dullness and unleash your brightest K-beauty glow yet! Powered by advanced Korean technology, our Niacinamide formula targets hyperpigmentation head-on—fading stubborn dark spots and discoloration while interrupting uneven tone pathways. Reveal lit-from-within clarity and radiance, straight from Seoul's skincare labs.

FORMULATION HIGHLIGHTS

8-LAYER HYALURONIC ACID

Go beyond basic moisture with K-beauty's secret weapon! Our 8-Layer Hyaluronic Acid Complex—powered by cutting-edge Korean technology—builds a hydrating shield on the surface while plunging deep to lock in stable, all-day energy. Hello, visibly plump, bouncy, and healthy skin that steals the spotlight.

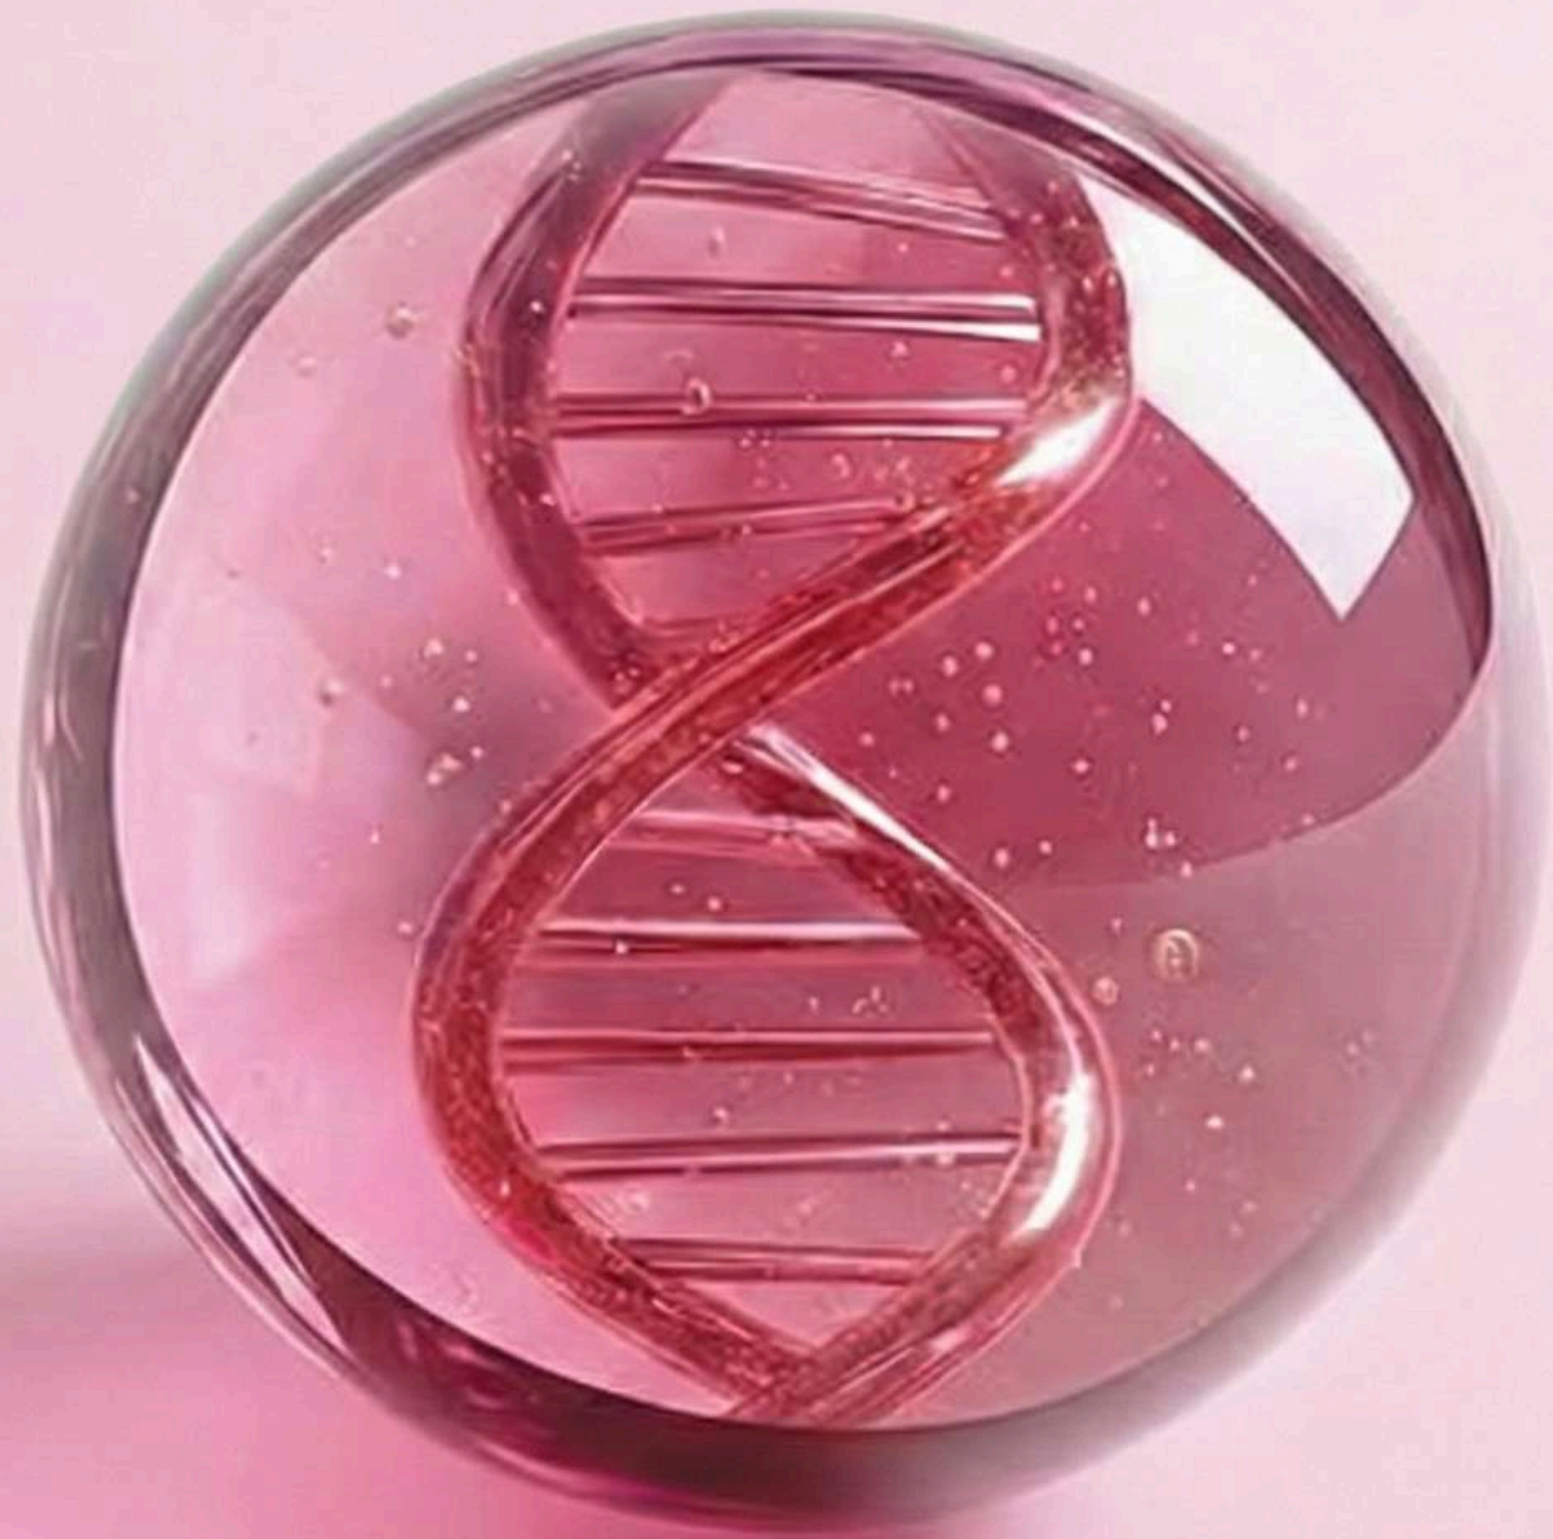

- Hydrolyzed Hyaluronic Acid
- Hyaluronic Acid
- Sodium Hyaluronate (10k Da)
- Sodium Acetylated Hyaluronate
- Sodium Hyaluronate (300k-500k Da)
- Sodium Hyaluronate (> 1.2million Da)

FORMULATION HIGHLIGHTS

CENTELLA CICA 4 EXTRACT

Powered by K-beauty's powerhouse Centella quartet—Asiatic Acid, Asiaticoside, Madecassic Acid, and Madecassoside—unlocked through advanced Korean technology. This synergistic complex supercharges skin regeneration and collagen synthesis, delivering a revitalized, resilient complexion that glows from within.

FORMULATION HIGHLIGHTS

PDRN SODIUM DNA

The premium salmon DNA ingredient, a cornerstone of K-beauty excellence in Korean skincare, achieves deep absorption through structural compatibility, activating fundamental skin recovery. It delivers high-performance anti-aging by boosting collagen for firmness, while simultaneously strengthening the skin barrier and providing superior soothing relief

FORMULATION HIGHLIGHTS

6 PEPTIDE COMPLEX

Signal Your Skin to Age Backwards.

By stimulating cells and neurotransmitters, the 6-Peptide Complex from Korean Skincare Innovation, it boosts collagen production to fight wrinkles and sagging. It's the combined strength of six specialized peptides working together for maximum anti-aging impact.

- Acetyl tetrapeptide-5
- Hexapeptide-3
- Palmitoyl oligopeptide
- Palmitoyl Pentapeptide-4
- Palmitoyl Tripeptide-5
- Copper Tripeptide-1

HAND SPA SPA AT HOME

The Intensive hydrating Hand Glove

Power of Oak Tree Vitality

Total-Wrap Absorption

Experience the power of nature with our Quercus-enriched formula, specifically engineered for intensive hand rejuvenation. This is not just a mask; it's a nutritional cocoon for your hands. By completely enveloping the skin, it prevents moisture loss and delivers high-purity active ingredients directly to the dermal layers. One session leaves your hands completely transformed, silky smooth, and deeply nourished.

FOOT SPA SPA AT HOME

The Ultimate Rescue for Forgotten Skin

Power of Oak Tree Vitality

100% Full-Sock Absorption

Your feet are often the most neglected part of your body, but they deserve the most care. Our Foot Spa mask is specifically designed to target dry, cracked skin that regular lotions can't reach. Infused with 100% Quercus extract, the Full-Wrap Sock technology acts as a nutritional pump, forcing deep hydration into every crack and crevice. Don't just cover them up; reclaim silky, baby-soft feet with a single, intensive session

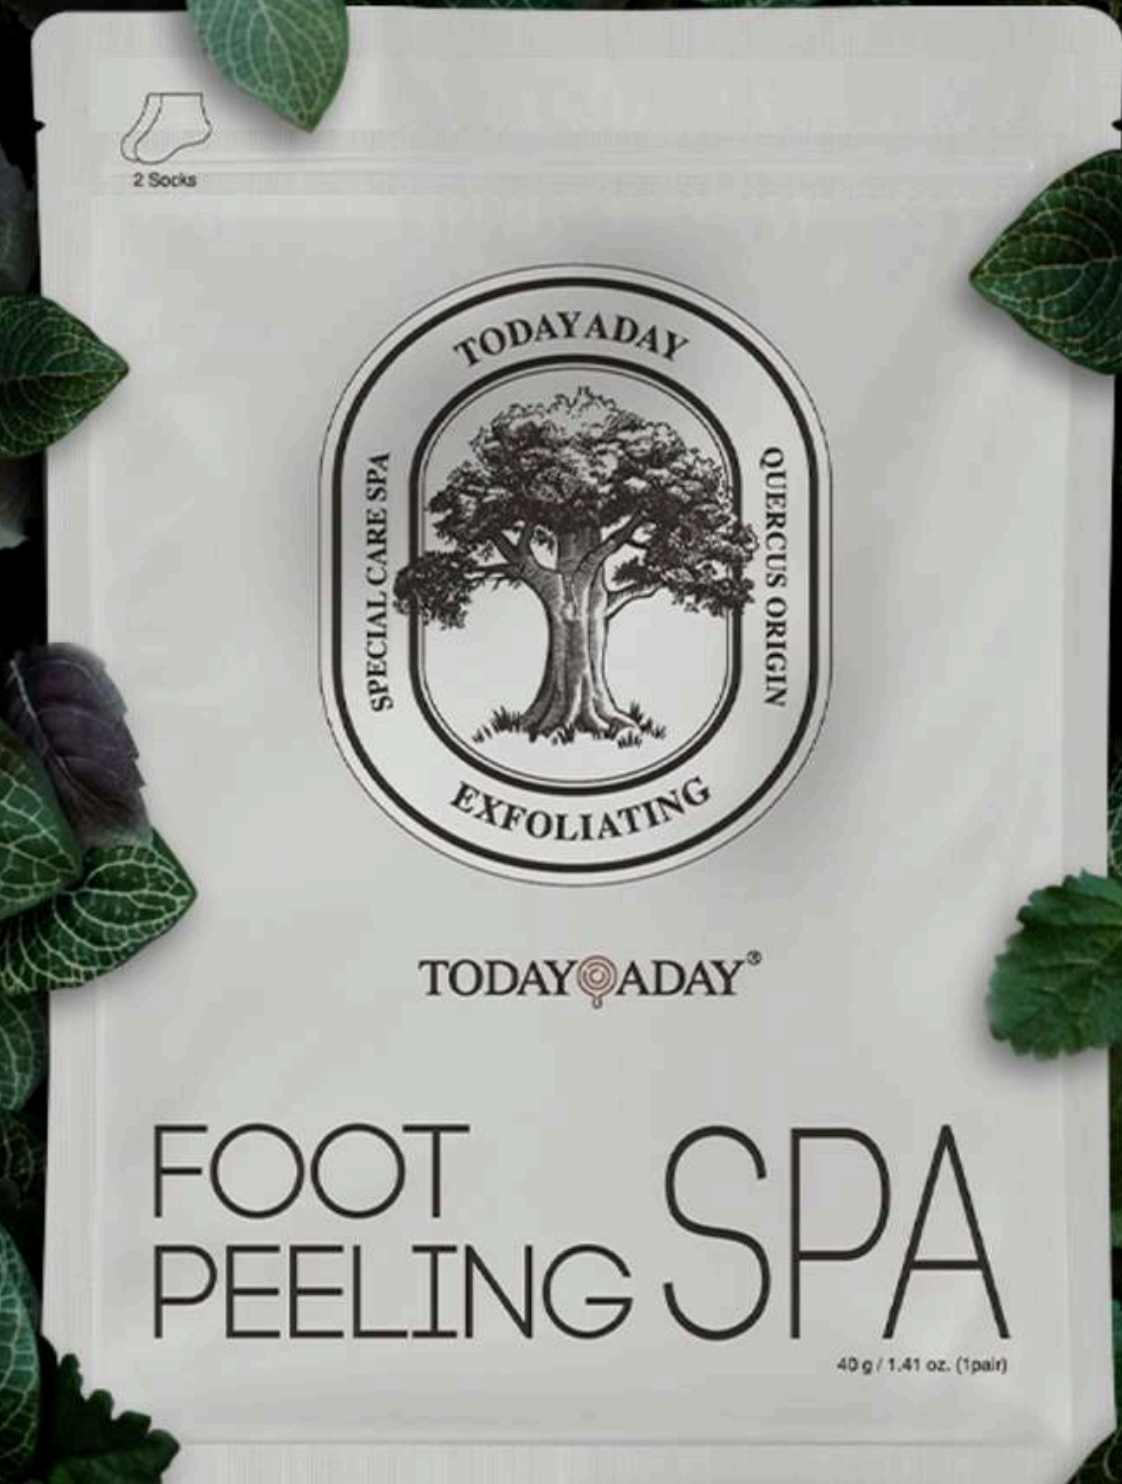

FOOT PEELING SPA SPA AT HOME

7-Day Foot Renewal Revolution
Power of Oak Tree Vitality
Baby-Soft Foot Transformation

Just as the mighty Oak Tree stands resilient through the seasons, renewing its strength and shedding the old to flourish again, our Foot Peeling Spa brings that same regenerative power to your feet. Starting from Day 3, the mask triggers a natural shedding process, mimicking the forest's cycle of renewal. By Day 7, the rough, cracked exterior is completely replaced by reborn, baby-soft skin.

Experience a deep-rooted transformation that doesn't just peel, but restores and strengthens your feet with the timeless vitality of the Oak.
